Schedule NOTES

- 49 hours total scheduled during 5 days for each in-class on-site week.

- An average of 37 segments during each in-class week.

- Morning (MT) and evening (TCCMI) modules do not have to be attended. Students will be able to listen to the recorded MT & TCCMI lectures on the web site on their own time.

- Breaks are included in the segments. The general rule is that 10 minutes per segment hour can be allocated for breaks.
